

## **Club Guest Player Policy**

If a team is using a guest player (someone with a pass from a team other than San Juan) for a tournament, that player must pay \$50 to play in the tournament. This fee is payable to San Juan Soccer Club and should be given to the Club Treasurer or Club Administrator. The \$50 fee is payable for each of the first 2 tournaments that the player plays in during the same playing season. If the same player plays in more than 2 tournaments (in the same season) the fee for the 3rd and subsequent tournaments is \$100 per tournament.

If a team is getting a San Juan pass for a player to guest play with their team, the fees are the same as outlined above. However, the player pass must be returned to the Club Registrar once the player has completed play in the tournament. This will aide in tracking the pass and fees for those players who are issued a San Juan pass.
